

Salado Education Foundation  
P.O. Box 458  
Salado, TX 76571

*Our greatest gift is our children  
Every gift is an investment*

July 15, 20008

The Salado Education Foundation provides scholarships and innovative teaching grants to support the educational needs of our students. Since 2001, we have awarded \$172,500 in scholarships \$29,146 in Innovative Teaching Grants. Our graduates are successful actresses, engineers, teachers, chefs, and businessmen and women, and our teachers have incorporated exciting innovations into the classroom.

“Thank you for honoring me with both of these scholarships. These scholarships will help out a great deal during college”

*Wes Dowell*

We need your support to continue to provide scholarships to these deserving students and creative teachers. We are asking you to be a sponsor for our annual Cattlemen’s Ball, our only fundraiser. At each sponsorship level, you will receive tickets to the ball plus recognition for your support.

The 2008 Cattlemen's Ball will be on October 18, 2008 at Tenroc Ranch beginning at 6:30 and feature a surprise guest you won’t want to miss. This is a great chance to support our students *and* have a ball attending what promises to be *the* big event of the year!

Our goal is for every student in Salado to have the opportunity to pursue an education after high school and for every teacher to be able to use innovative and cutting edge tools to educate our students. **We need your help to achieve these goals.**

Attached is a list of the official giving levels. If you have any questions please contact Taylor Willingham at 254.947.3793.

Sincerely,  
Joe Keyes, Salado Education Foundation President  
Ryan Hodge and Taylor Willingham, Sponsorship Committee Co-Chairs
